

National Recommendation Labels for User-applied Labelling of Injectable Medicines, Fluids and Lines

Triarc Medical manufacturers this range to comply with the National Recommendation for User-applied Labelling of Injectable Medicines, Fluids and Lines August 2010 developed and published by the Australian Commission on Safety and Quality in Healthcare.

The following range of labels are available to be purchased from our Australian Distributor, Mayo Healthcare, customerservice@mayohealthcare.com.au, 1300 360 226, http://www.mayohealthcare.com.au/products/Resp_hls_national_recommendations.htm

All labels are supplied as a box of 500 on self-adhesive matt paper with permanent adhesive. The 70x25mm Line/Catheter/Medicine labels are produced on a synthetic material making them waterproof. Sterile versions of selected labels are also available.

Containers (Bag, bottle & syringe labels)

Container labels are available in two sizes:

- 60 x 50mm
- 100 x 60mm

For IntraVENOUS Use Only

Patient
